A Step Back in Time: Celebrating the City's 60th Birthday

The City of St. Augustine Beach will celebrate its 60th birthday and Florida City Government Week from October 21 – 25, 2019. This week will conclude with an open house at St. Augustine Beach City Hall (2200 A1A South, St. Augustine Beach) on October 25 from 5 – 7pm.

From October 21 - 25, St. Augustine Beach City Hall will have a historical display of pictures, documents, and artifacts open to the public during regular operating hours (8am – 5pm). Then, on Friday, October 25, City Hall will remain open until 7pm for an open house. Cake and drinks will be served, and there will be a trivia table for event attendees to answer questions about the City and win prizes.

“We are excited for the City’s 60th birthday celebration and hope that residents of all generations will join in the fun,” said St. Augustine Beach Mayor Undine C. George. “This event is a great opportunity to celebrate our City and educate our residents about the history of the City of St. Augustine Beach.”

Florida City Government Week, sponsored by the Florida League of Cities, is a celebration that raises awareness about the importance of municipal government. The League is the official organization of the municipal governments in Florida.

Environmental Stewardship Awards

The Sustainability and Environmental Planning and Advisory Council (SEPAC), in conjunction with the St. Augustine Beach Commission, presented Captain of the Litter Gitter Adam Morley and Jean Dowdy, Bill

Hamilton, and Bryanne Hamilton of Southern Horticulture with Environmental Stewardship Awards.

These awards recognize individuals and businesses that are working to protect the Island's natural resources and enhance its ecosystem. The objective of environmental stewardship is to reduce impacts on the environment, thereby protecting our natural resources through conservation and sustainable practices.

To be considered for recognition, nominees must demonstrate significant achievements through reducing environmental impacts, conserving resources, enhancing ecosystems, and restoring impacted natural resources.

Halloween Safety Tips

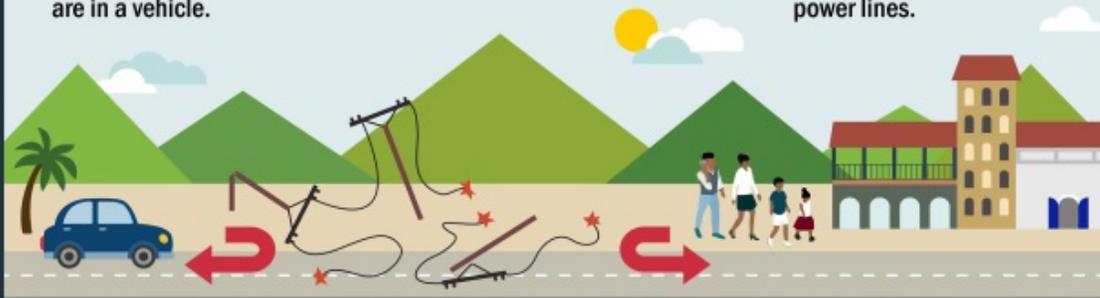

To ensure everyone is safe this Halloween, the St. Augustine Beach Police Department offers these tips:

- Stay with parent or responsible adult
 - Use sidewalks and crosswalks
 - Look before crossing the street
 - Have parents check the candy before you eat them
 - Bring glow sticks or flashlights to increase visibility
 - Only go to houses with lit porch lights
 - Do not go into a stranger's house
 - Avoid leaving jack-o-lanterns lit with a candle while out trick or treating- try using glow sticks instead
 - Make sure you lock your door when leaving to go out
 - Plan your route before going out to avoid confusion, chose neighborhoods you are familiar with
-

Avoid power lines and wires that are sparking, even if you are in a vehicle.

If you see sparking wires, call 911.

Keep children away from electrical equipment and power lines.

SAFETY TIPS DURING POWER RESTORATION

Do use a power inlet box and transfer switch to connect to your home wiring.

Do use extension cords to connect electrical devices directly to your generator.

Do not connect your generator directly to your home's wiring.

Do not plug your generator into a regular household outlet or socket.

If you see utility trucks in your neighborhood, turn off your generator to keep technicians safe while they work.

A library card brings stories to life!
American Library Association

September is the Perfect Time to Get or Renew your Library Card

This September, the St. Johns County Public Library System (SJCPLS) joins with the American Library Association and our friends, Woody, Buzz Lightyear, and Bo Peep from Toy Story 4 to promote the value of the public library card.

In addition to bestsellers, DVDs, audiobooks, CDs and more, St. Johns County residents who sign up for a SJCPLS library card receive 24/7 access to SJCPLS's eLibrary for downloading ebooks, reading *The New York Times* digital edition, streaming movies and music, and researching for work or school projects.

A library card is also an essential school supply for students. Whether it's providing free access to STEAM (science, technology, engineering, arts and mathematics) and robotics classes, virtual homework help through Brainfuse, or virtual databases for research and study, students will reap rewards in academic achievement and lifelong learning.

"Throughout the school year, our library offers a variety of programs to stimulate an interest in reading and learning," said Library Director Debra

Rhodes Gibson. "Storytimes expose young children to the joy of reading and encourage school readiness, while older children have access to technology and digital tools such as Brainfuse and Kids InfoBits and the help from library staff to use those resources."

For more information about how to sign up for a library card, please visit any SJCPLS branch or bookmobile in person or online at www.sjcpls.org.
