The Boulevard

It doesn't have the renown of Paris's Champs-Elysees, the breadth of Washington, D.C.'s Pennsylvania Avenue, and certainly isn't lined by the flagships of fashion like New York's 5 th Avenue, yet humble A1A Beach Boulevard is special to us because it's our fair City's main street.

American Flag Rescue Program

The American Flag Rescue (AFR) program was initiated in 2019 after St. Johns County Solid Waste Management staff observed worn and damaged American flags in drop-off garbage containers at the Tillman Ridge facility. Although some flag collection containers already were in place in several stores that sell American flags, more collection points were clearly needed. The initial shipment of new flag collection boxes was funded by local radio personality Kevin Geddings. These units were placed in St. Johns County libraries. Of the nearly 1,000 flags collected in 2020, about 10% were reusable and these are available to the public. Damaged flags are retired according to established protocols by local Scout troops and veteran's organizations. An American Flag booklet provided by Supervisor of Elections Vicky Oakes is also available. For information about flag collection/retirement or site participation, contact Chris Benjamin at (904) 827-6980 or cbenjamin@sjcfl.us. Flags can be dropped off at City of St. Augustine Beach City Hall.
