City Manager, Max Royle

POSITIVELY PAONIA!!

Every two weeks I receive a newsletter from the International City/County Management Association. It features articles about the latest bells/whistles/trends in public management and lists those cities and counties with a manager vacancy because their manager has retired, been fired, moved on to another city or county, or decided to do something less stressful, like training sharks to be polite or porcupines how to knit.

Sign up for Alert St. Johns!

St. Johns County encourages its residents to sign up for emergency notifications at www.alertstjohns.com. Alert St. Johns enables St. Johns County to provide residents with critical information in a variety of emergency situations, such as severe weather, unexpected road closures, water advisories, missing persons, evacuations of buildings or neighborhoods, and incidents that may pose a threat to public safety. By signing up, residents can choose to receive time-sensitive messages via phone call, text message, or email. Click on the links below for more information.

How are you going to receive Alerts and Warnings?

Receive alerts about emergencies by signing up for Alert St. Johns. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, water advisories, missing persons, evacuations of buildings or neighborhoods and incidents that may threaten public safety.

You will receive time-sensitive messages wherever you specify, such as your home, mobile or business phones, email address, text messages and more.

SEPAC News!

*Sustainability & Environmental
Planning Advisory Committee*

Congratulation to our first Environmentally Friendly Yard Recognition Recipients!

John, Jennifer, and Jack Wilson, pictured below, are the first recipients of SEPAC's Environmentally Friendly Yard recognition! The Wilsons have worked hard to create a beautiful and sustainable landscape at their St. Augustine Beach home. They are preserving the tree canopy, utilizing native plants, helping increase the biodiversity of Anastasia Island.

Congratulations!

If you think your yard has what it takes – or just want to find out how to make your area more environmentally friendly, please visit:

Nominees Needed for Environmental Stewardship Awards

This is the last month you can submit nominations for the Anastasia Island Environmental Stewardship Awards. These awards will recognize individuals, businesses, and non-profit groups that are working to protect the Island's natural resources and enhance its ecosystem.

Nominations are due August 25, 2023. For more information and to nominate someone (including yourself), visit the City's website,

<https://www.staugbch.com/community/page/anastasia-island-environmental-stewardship-awards-nominations-due-august-25>

The objective of environmental stewardship is to reduce impacts on the environment, thereby protecting our natural resources through conservation and sustainable practices.

American Flag Rescue Program

The American Flag Rescue (AFR) program was initiated in 2019 after St. Johns County Solid Waste Management staff observed worn and damaged American flags in drop-off garbage containers at the Tillman Ridge facility. Although some flag collection containers already were in place in several stores that sell American flags, more collection points

were clearly needed. The initial shipment of new flag collection boxes was funded by local radio personality Kevin Geddings. These units were placed in St. Johns County libraries. Of the nearly 1,000 flags collected in 2020, about 10% were reusable and these are available to the public. Damaged flags are retired according to established protocols by local Scout troops and veteran's organizations. An American Flag booklet provided by Supervisor of Elections Vicky Oakes is also available. For information about flag collection/retirement or site participation, contact Chris Benjamin at (904) 827-6980 or cbenjamin@sjcfl.us. Flags can be dropped off at City of St. Augustine Beach City Hall.

City of St. Augustine Beach Resident Self-Service module

You can access this module in one of two ways:

Go to our website – www.staugbch.com. Here you will find the link by selecting Resources -> Contact Us -> Self-Service Portal.
