## **Spotlight on CoSAB Beach Art Walk and Holiday Market Events**

The City of St. Augustine Beach would like to thank everyone for supporting and participating in the amazing events we were able to hold during our Light up the BEACH! 2020 holiday season.

Let's face it, 2020 was an extremely tough year and we were fortunate to be able to support our community by holding several socially responsible events...ALL outside, ALL designed to keep people moving and enjoying all that the City of St. Augustine Beach has to offer.

We would like to thank the businesses who hosted artists and of course the wonderful artists and vendors who participated in the Holiday Market and Art walk events.

We would also like to thank all of the patrons who came out to support local businesses, artists and vendors during this holiday season.

And a very special thank you to The Art Studio of St. Augustine Beach and the Wednesday Pier Farmers Market for all of their hard work in making these events so successful!

We are looking forward to even more wonderful events in 2021!

## THE GIG

Time for a break from matters city and government, and as my essay concerns New Year's Eve, now is an appropriate time for it. Here goes.

Gig (noun): "a musical engagement of one night's duration only." The Grove Dictionary of Music and Musicians.

Do many of us when we're young do "crazy things"? These can be defined as actions that endanger life or limb or both, that when done and no injury results validate for us that we truly are immortal and thus immune to casual slaps of misfortune from an uncaring universe. It's a heady feeling, that sense of invulnerability—heady and foolish and sometimes so completely wrong, but, what the heck, when life is a grand, fresh, hormonally-charged, super adventure, it's only natural to feel that all the world is one's pearly oyster when the reality may be that it's a powder keg perilously close to a burning candle.

## St. Johns County Tree Recycling Program

St. Johns County is hosting its Annual Christmas “Tree-cycling” Program from 9 a.m. to 4 p.m. on Monday, December 28, through Monday, January 4, for those who wish to recycle Christmas trees after the holiday. Residents are encouraged to bring Christmas trees to any of the following locations:

- Ron Parker Park – 607 Old Beach Road
- Cornerstone Park – 1046 A1A North
- Davis Park – 210 Davis Park Road
- Mills Field – 1805 Racetrack Road
- First Tee – 4401 Cypress Links Blvd.

Artificial trees will not be accepted as only natural trees can be recycled, and trees should be free of decorations and debris. Designated areas and signage will direct participants where to drop off their trees. For more information, please call 904.209.0335.

The image shows a promotional sign for the Annual Christmas Tree Recycling Program. At the top, five stylized Christmas trees are arranged in a row, alternating between green outlines and white outlines. Below them, the title "ANNUAL CHRISTMAS TREECYCLING" is written in large, bold, white letters on a red background. Underneath the title, a paragraph explains the program's goal: to reduce waste by recycling real Christmas trees at designated sites. The text specifies that only clean, real trees without decorations are accepted. The dates and times, "DECEMBER 28TH - JANUARY 4TH 9AM-4PM", are listed in bold white text. Below this, the "DROP OFF LOCATIONS" are listed in bold white text, including Ron Parker, Mills Field, Cornerstone, First Tee Site, and Davis Park. On the left side of the sign, there is a graphic of a real Christmas tree with a green recycling symbol on its trunk and a yellow star on top. On the right side, there is the official seal of St. Johns County, Florida.
